Letter to Our Community

Dear Friends,

The theme of this year's Annual Report captures Wayne County Community Foundation's reason for being. When we say that we are "your partner in philanthropy", we mean it. WCCF offers you a full range of Funds and ways to support charitable causes in your local community and beyond. Our priority is always to assist you in achieving your own philanthropic goals.

This Annual Report will give you an overview of the types of Funds available, and stories about the people and organizations who have partnered with us to support important projects and to build personal legacies of philanthropy. We are fortunate to live in a community where people want to share what they have, and to become involved in causes that matter. The assets of the Foundation are now approaching \$85 million. Equally significant is the more than \$6 million in grants made this year, including some \$570,000 awarded in scholarships to Wayne County residents.

Thanks to you, our fund holders and friends, Wayne County Community Foundation's future looks bright. Your confidence in the Foundation ensures that it will continue to grow. We are grateful every day for your strong support.

Come see us!

COMMUNITY FUNDS

*Needs and opportunities change –
and YOUR generosity grows over time.*

Community Funds support organizations and initiatives through the twice-yearly competitive grants process. The Foundation thoroughly examines the nonprofit applicants to understand the need and capacity of the program before distributing funds. The flexibility of your unrestricted gift enables your Community Foundation's Board of Trustees to respond to the community's most pressing needs, today and tomorrow.

What are the benefits of a Community Fund?

Many people choose to create an unrestricted fund to support the community they love.

- It is a long-term fund created for long-term impact.
- It addresses changing needs and opportunities.
- Your money stays in your community and is used to make grants, when and where they are needed most.
- You may establish your Fund with a gift today, or through a bequest.
- You, or others, can add to the Fund you have established at any time, receiving tax benefits with each new gift.

Since our founding in 1978, visionary donors have been making gifts and creating funds to address the community's most pressing needs while creating a personal legacy of giving. One of those needs is to provide affordable housing, which plays a critical role in strong and stable communities. Through the competitive grant cycle, Foundation Trustees have used various Community Funds to provide grants for **Habitat for Humanity in Wayne County**. Since being established in Wayne County in 1987, the organization and its volunteers have built and sold more than 80 homes and helped some 300 individuals realize the American dream of homeownership.

FRIENDS OF PHILANTHROPY

Michael and Stephanie Reardon

In 1974, Mike and Stephanie Reardon had a business decision to make: purchase a licorice company in Cincinnati or a titanium business in Shreve. They opted for the titanium business, later relocating United Titanium to Wooster. And, while the plan was to remain in Wayne County just a few years before settling down in Mike's hometown of Columbus, the couple fell in love with the community – lucky for us – and decided to stay, making Wooster their home – a choice that has provided substantial and lasting benefits to residents of Wayne County.

It is difficult to quantify the full extent of the Reardons' philanthropy. Some things are readily known, such as their leadership roles at First Presbyterian Church over many years and their steadfast and generous support of the United Way. But, as many will tell you, much more has been done behind the scenes without recognition or publicity. Not only are Mike and Stephanie personally generous with their resources, they also take a hands-on approach – volunteering their time and expertise to causes they care about.

Their selfless commitment to charitable giving and community development has had a County-wide impact for nearly five decades.

Mike is known for his charismatic personality, his huge heart, and his wisdom as a community leader – all traits he brings to the non-profit organizations and community initiatives he supports. He has served on the Wooster Area Chamber of Commerce Board of Directors and has played a key role in economic development efforts throughout the County. Mike has shared his expertise with various nonprofit boards and worked on the HealthCare 2000 committee which resulted in the creation of Viola Startzman Clinic.

The Reardons have consistently made lead contributions to fundraising campaigns throughout the County, including: Wooster High School, The Village Network, Wayne Center for the Arts, OneEighty Inc., Central American Medical Outreach (CAMO), Boys & Girls Club of Wooster, Cornerstone PlayLab, Wayne County Public Library, the CHIEF

Campaign to raise funds for Wayne County Fire and Rescue Association Regional Training Facility, the Stanley C. Gault Philanthropic Leadership Fund at the Foundation, and many others.

They have been leaders in the Alexis de Tocqueville Society of United Way, and United Titanium consistently has one of the highest employee participation rates of any local business. The couple also made a significant contribution to Wooster Community Hospital in 2018, bringing a state-of-the-art Cardiac Catheterization Lab to the area.

Mike and Stephanie's leadership of downtown redevelopment has been especially noteworthy. For many years, they were the main underwriters for Main Street Wooster's **Window Wonderland**, an event that well over 5,000 people enjoy every Christmas season. Stephanie has played a key role in the Downtown Beautification project, which plants flowers each year on the Square in downtown Wooster.

Mike and Stephanie do not seek out the spotlight. They do not require accolades. They quietly, and consistently, provide support for virtually every philanthropic need in the community. Their example of commitment to community has inspired others to assume leadership roles and to participate in a variety of projects that have improved the quality of life for all of us.

In establishing the **Friend of Philanthropy**, the Foundation wanted to recognize the difference that individuals can make through personal commitment and leadership, taking into account the impact such individuals have on our community, and the role their creativity and advocacy can play in a project's success. Mike and Stephanie Reardon exemplify the very best of all these qualities, and have repeatedly shared them with the members of this community. They will forever be admired for their dedication to making Wayne County a better community through selfless acts of personal and corporate philanthropy.

Each year, well over 5,000 people enjoy **Window Wonderland** in downtown Wooster, a project the Reardons have personally supported each year.

YOUR INVITATION TO PHILANTHROPY

We're here for you

We're here to help you benefit the charitable causes you're most passionate about. As your partner in philanthropy, we understand that every donor has individual needs and wishes. We will work with you individually and personalize our service to ensure that your philanthropy is effective, personal, meaningful, and fulfilling. You can:

Contribute to an Existing Fund

We'll work with you to ensure that your gift benefits your particular charitable priorities.

Create Your Own Fund

Our goal is to help you establish the fund that will enable you to fulfill your philanthropic purpose.

Leave Your Mark

Including Wayne County Community Foundation in your estate plan is an easy way to make a long-lasting, meaningful, and significant impact on this community.

While Susanna Congdon McIntyre did not move to Wayne County until 1980, her family's ties to the area ran deep. She was married in 1957 to Carl Congdon, the great-great-grandson of Judge Smith Orr, founder of the City of Orrville. Through several generations, the family was always generous with their time and resources. The Foundation's first-ever bequest came from Carl's mother, Maud. Carl passed away in 1997, leaving Susanna to carry on the family legacy of philanthropy and support of this community. Prior to her death, Susanna donated the Smith-Orr Homestead to the Orrville Historical Society.

Through a bequest in 2011, Susanna established the **Carl E. Congdon, Jr. & Susanna Congdon McIntyre Memorial Fund**, a Field of Interest Fund serving the Orrville area, as well as the **Carl E. Congdon, Jr. & Susanna Congdon McIntyre Orrville Area Boys and Girls Club Fund**. Since then, the Funds have provided a combined \$1.2 Million for the benefit of the Orrville community – while the establishing principal has remained intact and continues to grow.

Create a Fund

Establishing a fund at Wayne County Community Foundation is an easy and effective way to invest in your community. Listed below are the types of funds available to our donors:

- **Community Funds** – most flexible fund to meet the changing needs of our community.
- **Field of Interest Funds** – support your particular areas of interest.
- **Donor and Corporate Advised Funds** – allow donors to recommend grants to the charitable causes they care about.
- **Scholarship Funds** – support our local students with grants to pursue post-secondary education and training.
- **Designated Funds** – provide annual grants in perpetuity for one or more organizations of your choice.
- **Agency Funds** – created by charitable organizations to benefit the mission of the organization now and in the future.

We make it easy to establish a charitable fund that meets your personal needs. You sign a simple fund agreement and make your gift to open the fund. Most funds may be opened with a minimum gift of \$10,000; to open a new Scholarship, the minimum is \$20,000. Your fund may be created with a current gift, or through a bequest. Our professional staff is ready to meet with you to talk about your goals, and create a plan that matches your charitable interests and financial situation. Whatever your philanthropic goals, we have the flexibility and tools to help you reach them.

Each of our fund types may begin as an Acorn Fund. With their significantly lower minimums, these funds allow for younger families or seniors on fixed incomes to establish legacies on an installment basis. To learn more about establishing your fund at Wayne County Community Foundation, please call 330.262.3877 or email wccf@sssnet.com.

Wayne Trails was established to build more multi-use recreational trails to connect communities across the county. It is a partnership between the City of Wooster, Wayne County, The Ohio State University and Rails to Trails of Wayne County. The organization established the **Wayne Trails Fund**, a designated fund at WCCF, to accept donations to grow Wayne County's trail network. Donated funds will help promote, develop and maintain trails throughout the county for recreation and transportation purposes.

THE POWER OF ENDOWMENT

Making the most of your giving, forever.

At the heart of the mission of the Foundation is building endowment to secure the future of Wayne County. We understand the power of permanence. We believe that it's the key to ensuring that our community's future will be even brighter than its past. When you create a charitable fund through the Foundation, you can benefit the community forever with a permanent endowment.

Endowed funds are created so the original gift remains intact but is invested to grow in value. As the fund grows, a portion of the earnings can be granted to public charities. Unlike a contribution that is given and spent on an immediate need, a gift to an endowed (or permanent) fund will give many times its original value through time, making it "a gift that keeps giving." Over time, the value of an endowment fund will be significant both in dollars granted and in fund value.

A permanent endowment fund carries several advantages. An endowment will:

- Provide dependable, perpetual income to your chosen areas of interest – such as the arts, your house of worship, your alma mater or whatever cause you love
- Carry on your family's name by creating a permanent legacy
- Allow successive generations to continue family giving traditions

Through the Power of Endowment, we build a living legacy that reflects the intentions of those who constructed it. Endowed gifts build lasting financial strength and provide permanent support for the community – helping you do good work today and far into the future.

The following chart illustrating the Power of Endowment is based on an endowed fund established with \$10,000.

Assumes a 6.5% ROI, 1% administrative fee, and 4.5% grant payout each year. This example is not a guarantee of return on investment.

Philanthropists in the making.

Wayne County Community Youth Foundation (WCCYF) wrapped up its sixth year in May with the graduation of 49 students representing 10 area high schools. The program gives local young people a voice in providing financial and human resources to projects and programs benefiting youth in Wayne County. Members meet monthly during the academic year. They work on teambuilding and leadership activities, learn about charitable giving from local philanthropists, and visit nonprofit organizations serving Wayne County. In addition to awarding grants, members of the Youth Foundation also participate in several community service projects.

After reviewing grant applications, this year members voted to distribute over \$8,000 in grants to youth-oriented projects and programs. Grants include the purchase of books for Reading Under the Lights, a program organized

by **United Way of Wayne & Holmes Counties, Inc.**; support for Mobile Community Outreach Clinics for **Viola Startzman Clinic**; and funding for the Kids Café at **Orrville Area Boys & Girls Club**, which serves daily breakfast and dinner to at-risk youth.

After six years of inspiring leadership, Ferenc M. Relle, Jr. has stepped down as the Advisor of the Wayne County Community Youth Foundation (WCCYF). Under Relle's advisement, over 200 Wayne County high school students gained valuable leadership experience, while learning more about local charitable giving and how investments grow charitable funds. Deanna Troutman, a local business owner and a Trustee of the Foundation, will lead the group next year. As a long-time participant and advisor of 4-H, she brings a wealth of knowledge in youth development.

An Affiliate Fund of the Wayne County Community Foundation

The mission of The Women's Fund is to create a permanent stream of income to enhance the lives of women in Wayne County, Ohio. By focusing on three key areas – education, economic empowerment, and health and wellness – the Fund gives more women opportunities to succeed.

A partnership of donors, grantees, and volunteers, the Fund works to improve the lives of women of all ages by directing resources to organizations that empower change and self-sufficiency. The Fund is operated by women, for women.

Empowering Women in Wayne County

Through effective grant making, The Women's Fund has the potential to transform the lives of women for the better – improving their situations and making a lasting impact on their families and the communities to which they belong.

Community Action Wayne/Medina received a \$15,000 grant to improve the lives of women through their Getting Ahead program. This training helps participants develop solutions for overcoming poverty and achieving household financial stability. Women enrolled in the 8-week program examine their own experience of poverty as well as the community resources available to them, such as housing and transportation. Participants develop skills to secure and maintain employment, receive ongoing coaching support, including powerful peer support groups, while strengthening interpersonal skills to support job performance and retention.

OneEighty, Inc. received a \$5,000 grant to implement a Positive Parenting curriculum for women in their residential treatment center. Many times, women suffering from addiction disease have not been effective parents due to their illness. This program is designed to balance the work of recovery with parental responsibilities by rebuilding the mother-child relationships, developing parenting skills, creating positive interactions, and providing drug prevention programs for the children.

MOTHER'S DAY INITIATIVE

The **Mother's Day Initiative** is an opportunity for everyone to honor the women who have made a lasting difference in their lives, while also making a difference in the lives of women and girls throughout Wayne County. A total of 241 women were honored or remembered at Mother's Day, with \$24,120 added to The Women's Fund permanent endowment. Gifts to The Women's Fund will generate dollars to award grants to non-profit organizations serving Wayne County women...for generations to come.

While donors may contribute to The Women's Fund at any time and for any reason, the sole annual fundraiser of The Women's Fund is its Mother's Day initiative. A beautifully designed Mother's Day card is sent to the honoree the week of Mother's Day. If the gift is made to honor the memory of a special woman, a card is sent to the family.

GIVE 365

Wayne County

Philanthropy on a Dollar-a-Day

GIVE 365 unites and informs emerging philanthropists to make a collective impact on Wayne County, Ohio. With only a \$1 a day – or \$365 a year – pooled with gifts from other donors, members can join together to make a greater impact with their philanthropic dollars, while learning about the nonprofits which are making our communities better places to live and work. It also gives nonprofit organizations a way to demonstrate, to a captive audience, their impact and their potential.

Why Give 365?

Because anyone can be a philanthropist.

GIVE 365 allows you to leverage your charitable contributions with those of other donors to support nonprofits throughout Wayne County. The larger the membership in the fund, the greater the impact.

Through GIVE 365, you will engage in philanthropy with your peers. You will share what you know, and you will learn about the issues facing Wayne County and the agencies that work to make our community a better place.

Who is eligible to join?

Anyone! The annual contribution is \$365 – a dollar a day, payable by June 30th each year. We offer annual or quarterly payment options. All gifts are tax deductible.

Where does my gift go?

Annual membership gifts, matches and general donations up to \$3,649 are allocated 50/50 between the GIVE 365 annual grant fund and the GIVE 365 endowment fund.

Lifetime membership gifts of \$3,650 or more are allocated at 5% to the GIVE 365 annual grant fund in the year received, and 95% to the GIVE 365 endowment fund.

The GIVE 365 endowment fund is a permanent charitable account where the principal is retained and invested. Every year, the earnings are used to provide charitable grants, in accordance with the Wayne County Community Foundation's spending policy. Over time, the fund's balance will grow, as will annual income available for grant making.

How do I become a part of GIVE 365?

It's simple. Contact the Foundation at 330.262.3877 or visit us online at www.WayneCountyCommunityFoundation.org to complete the membership card.

GIVE 365 GRANTEES

This year, GIVE 365 was able to award \$11,500 to a local nonprofit organization with two strong programs addressing “Mental Health and Wellness of Youth” in Wayne County.

This year, after reviewing grant applications, Give 365 Members voted to award \$11,500 to **Boys and Girls Club of Wooster** to expand current drug prevention programs to serve more students. The drug prevention program is a collaborative effort between Boys & Girls Club, O’Huddle, Wooster City Schools, and OneEighty, Inc. focusing on youth in grades 5 through 12. The initiative will include small group programs, one-on-one mentoring, prevention activities and services, and funding for Wooster High School’s Drug Free Club. The strength of the program lies in the small group programs, SMART Girls and Passport to Manhood.

SMART Girls is a small-group health, fitness, prevention/education and self-esteem enhancement program designed to meet the developmental needs of girls. Through dynamic sessions, participatory activities, field trips and mentoring opportunities with adult women, Club girls explore their own and societal attitudes and values as they build skills for eating right, staying physically fit, getting good health care and developing positive relationships with peers and adults.

Passport to Manhood encourages boys to develop and mature into young men. The targeted effort engages boys in discussions and activities that reinforce character, leadership and positive behavior. Each participant receives a “passport” to underscore the notion that he is on a personal journey of maturation and growth. Each of the program’s 14 sessions uses interactive activities to focus on a specific aspect of character and manhood. Passport also includes a service project where boys learn the importance of giving back to the community.

General David Wooster

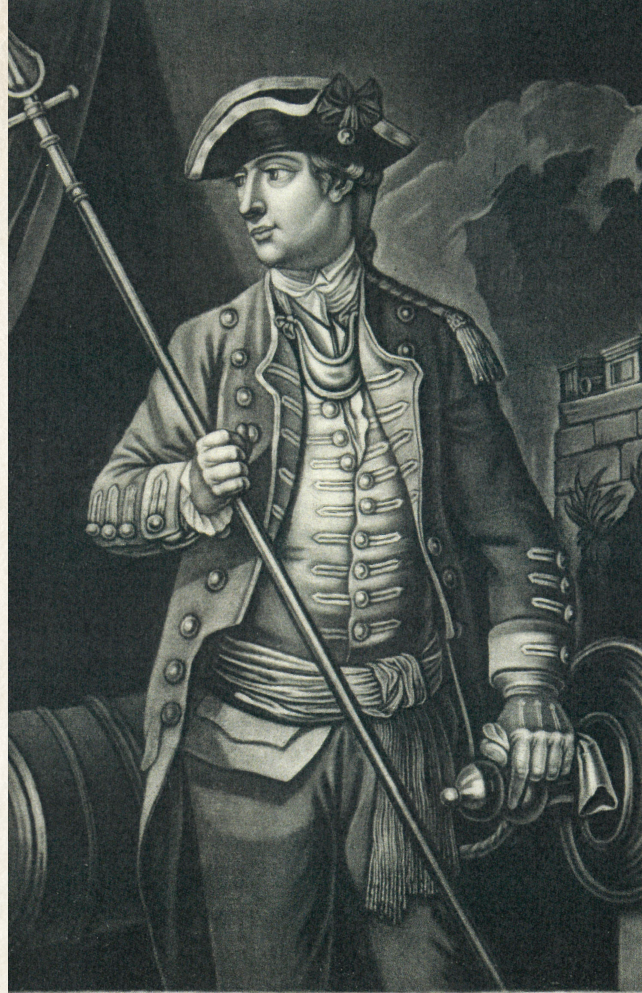

A monumental project.

At first glance, General David Wooster would seem far removed from Wayne County, Ohio. A Connecticut native and graduate of Yale, General Wooster himself never set foot in Wayne County. But the impact he had on the lives of the men who fought with him, men who went on to settle in Wayne County following the Revolutionary War, was so great they honored him – and his contributions to America – by naming the county seat after him.

General Wooster began his long military career in 1739, when he joined the British Army's Colonial Militia as a lieutenant during the war between Britain and Spain. In 1741 he was named lieutenant, and later captain, of a Coast Guard ship, which the colony had established to protect against potential Spanish attack. When the French and Indian War broke out in 1755, Wooster served from the beginning until the war's end in 1761, during which he was promoted to colonel. A well-respected officer, he went back to civilian life as a successful businessman in 1761.

Throughout the 1760s and into the 1770s, the taxes of Parliament, levied to pay the huge debt accrued by the war, hit Wooster's mercantile business very hard. While Wooster had been loyal to Britain, and enjoyed many benefits bestowed only upon military officers, he did not hesitate to take sides with his native land, and actively employed both his pen and his sword in the defense of its rights. He joined others to form a small group that would use their personal resources to secure loans from the Connecticut treasury to fund the Revolutionary War.

General David Wooster demonstrated a life of leadership, courage, dedication, and loyalty to

DAVID WOOSTER, Esq.

the cause of Liberty. He died in battle in 1777. After the American Revolution, veterans were given land in the Ohio Territory as payment for their service. Those whose homes were destroyed in Connecticut, General Wooster's home, also came west after the war to settle in the area. Wayne County is the final resting place of 51 Revolutionary War veterans.

Today, there is a campaign underway to build a statue of General David Wooster. The life-size bronze statue will be placed outside the Wayne County Public Library in downtown Wooster. A collaborative effort between Jason Anderson, a local resident and history teacher, and Wooster Friends of the Wayne County Public Library, the **General David Wooster Statue Fund** was established to accept tax-deductible donations to the project. Through the competitive grants process, WCCF Board of Trustees awarded a total of \$10,000 to the project through the **Charles R. & Henrietta Yenne Fund** and the **Ceylon E. Hudson Charitable Fund**.

Jodi Shilling

Memorial scholarship embodies the best of local educator.

A graduate of Smithville High School and The College of Wooster, Jodi Shilling was a pillar of the community and an inspiration to all who met her. She was in the unique position of being an Art Educator for Green Local Schools, while coaching the Waynedale Golden Bears Volleyball team. In addition, Jodi coached Junior Olympic Volleyball and the Kidron Volleyball Club for many years.

Jodi received her first cancer diagnosis in 2007 and underwent chemotherapy, surgery and radiation to battle breast cancer over an 11-month span. Just shy of being five years cancer free, in the spring of 2013, Jodi found out the disease had returned in her spine and liver. The Stage 4 disease was inoperable and incurable, but treatable, leading to an aggressive chemotherapy regimen to shrink the tumor to a manageable size. Throughout her treatment, Jodi continued to coach and be there for her team.

She organized local “Volley for a Cure” fundraising games in support of breast cancer

research. Sadly, breast cancer ultimately resulted in her passing last fall – just two weeks after the most successful coaching season of her career.

In addition to her coaching successes, Jodi will be remembered for the murals she painted at Wooster High School, The College of Wooster, Smithville High School, Aultman Orrville Hospital, and the Lyons Den Golf Course, and for her design of the Smithville Veterans’ Memorial.

Jodi’s mother has established a scholarship to honor her daughter’s memory, with awards going to Wayne County students who excel in one of her Jodi’s two passions – volleyball and art. The **Jodi Shilling Memorial Scholarship** embodies the values that Jodi wanted to instill in her players and students – strong moral character, responsible work ethic, community service, and seeking happiness in their chosen paths.

Ohio's Hospice LifeCare

Mobile care unit improves access to care

Since 1982, Ohio's Hospice LifeCare has been taking care of our neighbors in Wayne County and the surrounding areas. Serving more than 875 patients a year, LifeCare utilizes a holistic approach, addressing all forms of physical, emotional, and spiritual suffering which those in their care experience during the last months of life. In addition, the organization provides Palliative Care to those with serious illnesses who are not yet ready for hospice care, as well as Bereavement Services for families of hospice patients.

To better serve clients and their families, Ohio's Hospice LifeCare now owns and operates a Mobile Care Unit, thanks in part to the Foundation's Board of Trustees. Through the

competitive grant cycle, the Foundation awarded a total of \$20,000 towards the purchase via the **Earle and Ann Klosterman Family Community Fund**, the **John Kaylor Memorial Fund**, and an **Anonymous Community Fund**.

The Mobile Care Unit will provide timely transport of patients and allow their families to ride along with them. The new Unit is outfitted with equipment and supplies necessary for the safety and comfort of patients during transport. Staff members receive specialized training in providing patient transport services for hospice patients. In addition, reducing the cost of ambulance transports will positively impact LifeCare's annual operating budget.

"Having our own mobile care unit to transport our patients helps us extend our care and compassion to those patients located throughout our care region. This has been a long-time dream for many of us at Ohio's Hospice LifeCare," said Christy Michaels, director of clinical operations. "The purchase and operation of a mobile care unit will help us expand our mission and improve access to care for our patients."

Laurie Schultz, Manager, with employees Lisa Urian and Amanda Yates.

Joyful Cafe

Brewing kindness and serving the community

The “typical” teenager graduates from high school, goes off to college, and gets a job. For teenagers with disabilities, it isn’t always that black and white.

As Amanda Yates was preparing to leave high school, her mother, Heather, began wondering what her daughter would do once she ‘aged out’ of the special education system. Many other families are facing the same thing, as there are limited employment opportunities for people who have intellectual disabilities and need a little extra support in the workplace.

Amanda, along with other students, had flourished at General Grounds – a coffee shop that provides refreshments for student and staff at Wooster High School, as well as vocational development for students employed there. Heather thought, “Why not bring something like that into our community, a place where we could employ adults with disabilities?” And so, **Joyful Cafe** was born.

Working with local philanthropists Barry Romich and Robin Wisner, Heather established *Joyful*

Enterprises, a 501(c)3 non-profit organization, to help fund the coffee shop. Keeping things local, the cafe partnered with Sure House Coffee Roasting Company in Wooster for their coffee and Salt Creek Cafe in Fredericksburg for food items; Wooster Community Hospital graciously donated the space inside their HealthPoint facility. Through the competitive grants program, the Foundation provided a grant from the **Earle and Ann Klosterman Family Community Fund** for capital purchases, including signage and an outdoor seating area.

Currently, the cafe employs seven adults with disabilities who work alongside a full-time manager, with additional volunteer staff available to assist when needed.

SALT Fund

Enhances educational experience

Nestled in the heart of Wayne County, Green Local Schools serves the communities of Smithville and Marshallville. For approximately 1,200 students, the campus provides a modern learning space for students grades K-12, all under one roof.

The “Smithville Smithies” have enjoyed a history of strong academic and athletic excellence. With a dedicated staff of educators and engaged Board members, the District strives to help students achieve in the classroom and prepare them for success in whatever their future may hold.

The District has also been blessed with great community and parental support, as well as the support of multi-generational families in the district. To make it even easier for those who see or have experienced the value in their local public schools to provide continued financial support, members of the 2019 Board of Education created the **Green Local Schools Student Achievement Legacy Trust (SALT) Fund** at the Foundation. Established with personal gifts from 100 percent of the 2019 District Leadership, additional contributions are being sought from other interested community members, alumni and friends of Green Local.

The SALT Fund will enable the District to further enhance educational experiences and maintain the high level of excellence for which Green Local Schools is known. Donations can be made directly to the Fund or by making “legacy” gifts through a will or beneficiary designation.

The permanently endowed Fund allows a committee of District members to make special purchases for extracurricular activities such as arts and athletic programs, as well as enhancements to educational programming. Distributions can be taken annually, while the principal remains intact and continues to grow for future generations of “Smithies”.

Founding gifts to the SALT Fund were made by:

- Randy and Heidi Brillhart
- Steve and Leslie Burns
- Dean and Beth Frank
- Scott and Patty Indermuhle
- Barb Markland
- Brent and Andrea Steiner
- Brad and Wendy Yochheim

Beulah Siegel

Making a difference for generations to come

Beulah V. (Mellinger) Siegel was a life-long resident of Wayne County. Born in Moreland in 1911, she would go on to graduate from Wooster High School before moving to the City of Wooster when she married Clinton C. Siegel in 1934. She worked in the accounting department of Gisinger Chevrolet-Cadillac (later known as Art Bucher Buick Cadillac) for many years before moving on to the Ohio Bureau of Employment Services (OBES), where she would have a career spanning over 20 years.

Her husband, Clinton, served in World War II as a Seabee in the 75th Naval Construction Battalion. He died in action in the South Pacific in 1943. Before shipping off, he had gifted Beulah with a number of stocks in the Exxon Mobil Corporation. Because this was the last gift she received from her husband, Beulah could never bring herself to sell these stocks – so they continued to grow in value. She would, however, use these stocks to make a difference in the lives of others after her passing. Working with her attorney, Walter Grosjean, she made the bequest that established the **Beulah Siegel Scholarship Fund** at the Foundation in 2007.

During her time at OBES, she saw first-hand the role of education in helping people secure and maintain a higher level of employment. She wanted to use her scholarship fund to make a meaningful impact on the lives of others. Beulah knew that by making a substantial scholarship award, she would not only make a difference in the life of the recipient, but in the lives of future generations of the recipient's family.

The four-year awards varied based on the individual circumstances of the recipient, but each was made with Beulah's intent to make a difference in mind. Since being established, the Fund has awarded 19 graduates of Wooster High School a total of nearly \$1 million.

This year, the Scholarship Committee selected its final scholarship recipient – Ms. Teagan Rasdall. An outstanding swimmer in high school, Teagan is continuing her career at Ohio Northern University where she is planning to major in Biochemistry.

LIST OF FUNDS

Wayne County Children's Resource Fund was established by Steve and Cheryl Shapiro, 2018 Friend of Philanthropy Recipients. The purpose of the Field of Interest Fund is to remove barriers which may impede children's ability to lead meaningful and productive lives. These barriers may include poverty, drug use, bullying, discrimination, learning disabilities, low self-confidence, or a challenging home life.

Community Funds

Community Funds provide flexibility to meet the changing needs of the community and enhance the quality of community life. They are used to fund WCCF's semi-annual competitive grant program which receives applications from the community's non-profit organizations.

Main Street Wooster, Inc. has worked to enhance the community of Wooster for over 30 years. Under the leadership of Sandra Hull, the organization has developed public/private partnerships that have resulted in over \$145 million in reinvestment to the downtown community. In 2017, the **Sandra C. Hull Downtown Legacy Fund** was established by Main Street's Board members and friends, to provide charitable assistance for special projects that are beyond the reach of the organization's operating budgets. So while Sandra is set to retire in December 2019, her legacy will endure to Wooster's lasting benefit.

GRANTS APPLICATION GUIDELINES

Guidelines

The Foundation makes grants only to organizations that are recognized by the Internal Revenue Code as nonprofit, tax-exempt, charitable organizations including schools and churches; or to qualified governmental agencies. The Foundation does not make grants to individuals. All scholarship checks go directly to the schools where the student is enrolled.

Unrestricted donations to the Foundation are added to the General Fund. Along with other Community Funds, these gifts allow the Board of Trustees to respond to innovative projects and the changing needs of the community. Charitable organizations serving the residents of Wayne County, Ohio are invited to apply for grants through our competitive

grants process. Application deadlines are March 1 and September 1 each year. The Women’s Fund accepts grants applications once a year, with a deadline on September 1. The deadline for GIVE 365 grant applications is March 1. Nonprofit organizations serving Wayne County youth may also apply to the Youth Foundation by February 1 each year. To complete a grant proposal application, please visit **WayneCountyCommunityFoundation.org**.

Thanks to the generosity of our donors, the Foundation distributed over \$6.6 million in grants and scholarships throughout Wayne County during the 2018-2019 fiscal year.

LEGACY SOCIETY

Give to what matters... even 100 years from now.

More than great wealth, philanthropy requires a generosity of spirit and the desire to improve the quality of life for others. When you remember your community, favorite cause or beloved nonprofit organization in your will, you support what you treasure, forever. You can tell us how you wish your gift to be used, or leave an unrestricted bequest that will tackle community problems as they emerge.

Even a modest bequest will grow, substantially, under our stewardship, within a few decades. At the same time, your generosity will generate ever-increasing grants to the cause or community you specify.

The Legacy Society recognizes individuals who have made plans to leave a gift to the community in partnership with the Foundation. This gift may be through estate plans, written wills, including the Foundation as a future beneficiary of a qualified retirement plan or IRA, insurance policy, remainder trust, Charitable Gift Annuity, or other similar planned gift.

We would like to acknowledge all those who have plans to leave a WCCF legacy to the community. Please talk with your professional advisors and us to find out how easy it is to leave a lasting mark on what matters to you.

Legacy Society members Don and Nadine Foster have always believed in giving back to the community and organizations they love. Through their Donor Advised Fund, the couple have the pleasure of seeing their Fund at work during their lifetimes. Planned giving then allows them to leave a legacy of generosity, supporting the causes they care most about for many years to come.

We gratefully acknowledge the compassion, generosity and foresight of our Legacy Society members*.

MEMORIAL GIFTS

Audrey L. Beaverson 1928-2019

The passing of Audrey Beaverson in March 2019 was a great loss to our community. Often referred to as a “quiet philanthropist,” Audrey touched many lives with her compassion for others, commitment to community, and personal generosity.

Audrey was a wise steward of her financial assets and lived modestly in order to give back to the community she loved. While she supported numerous projects and organizations throughout Wayne County, her true passion was providing for emergency services and rescue efforts aimed at saving lives. A major supporter of Wayne County Fire & Rescue Association, Audrey was serving as the Honorary Chair for their \$2.7 million capital campaign at the time of her death. She was also involved for decades with Wooster Community Hospital, funding the Beaverson Institute which focused on delivery of emergency services to the community.

Audrey lived a life of gratitude, committed to serving others. For this, and many other unmentioned acts of generosity, she will be greatly missed. Her legacy lives on through the **Beaverson Foundation Community Fund**, which she created to allow WCCF Trustees the flexibility to address the changing needs of Wayne County, now and in the future.

Financial Stewardship

The goal of the Foundation's investment program is to preserve and enhance the value of donor gifts, build capital for the future, and meet community needs today. To accomplish these objectives, we maintain a diversified portfolio overseen by multiple managers.

Asset Growth

Asset growth is achieved through the receipt of new gifts and bequests, gaining positive net returns on our investments, and ensuring that our stream of grant awards does not exceed our available resources. As of June 30, 2019, the Foundation's assets surpassed \$84 million for the first time. This increase in the Foundation's assets over the years since 1978 is detailed in the graph below.

At fiscal year-end, total assets were \$84.9 million (as detailed in the Financial Statements portion of this Annual Report). In addition, we added more than \$10 million in new gifts for the Foundation, including over \$1 million in permanent assets, during the 2018-2019 fiscal year.

Investment Returns

Overall, our fiscal year ending June 30, 2019 resulted in an investment gain of 4.3%. The return rate is net of all investment and banking fees, except for WCCF's administrative fee (ranging from 0.5% to 1.0%, depending on type and/or size of the Fund). Below are the Foundation's investment returns over one, three, five, and ten year periods.

1 Year	3 Years	5 Years	10 Years
4.3%	7.5%	4.2%	7.1%

Asset Allocation

A diverse portfolio is fundamental to WCCF's investment strategy, which aims to maximize investment returns while reducing volatility. The Investment Committee of the Board of Trustees, chaired by J. C. Johnston, III, regularly reviews the asset allocation strategy.

Asset Type	Target	Tolerance Range
US Large Cap Equities	25%	15% - 35%
US Mid Cap Equities	5%	0% - 10%
US Small Cap Equities	5%	0% - 10%
International Equities	20%	10% - 30%
Alternative Investments	20%	10% - 30%
Fixed Income & Cash	25%	15% - 35%
Total 100%		

Investment Committee

The Foundation's Investment Committee is comprised of individuals with financial experience who establish policy, hire investment managers, and evaluate performance. In turn, the Investment Committee is advised by independent investment consultants, Clearstead Advisors, LLC of Cleveland, with regard to all aspects of the Foundation's investment portfolio. The Foundation has transitioned to The Commercial & Savings Bank for banking services and to Fidelity Investments for custody services.
