Application**

Jodi had a great desire for everyone to be gainfully employed with a job they will enjoy. She wanted people to be happy in their work, truly doing what they love. She had great interest and love for volleyball and art. This scholarship is therefore open to girls who were a four-year member of a high school volleyball team in any school in Wayne County. The art component is limited to art seniors at Smithville and Waynedale. This scholarship is to provide assistance for continuing education or training (college or technical school) to achieve the goal of being in an occupation that is enjoyable and can sustain someone financially. Jodi taught students that it is extremely important for them to be productive, responsible, and reliable citizens.
