

Important Update: WCCF Scholarships and the FAFSA

We are aware of the issues related to the U.S. Department of Education's Free Application for Federal Student Aid (FAFSA). **Under no circumstances do we want students to be put at a disadvantage due to these complications.**

If you have received your estimated Student Aid Index (via email), you may upload that information. You may also select **“No, I have not yet filed the FAFSA but plan to”** to the questions regarding FAFSA Filing status. This will allow you to continue on with the submission (selecting “Yes” will prompt you to upload documentation). Once obtained, please email your Student Aid Report to scholarships@wccfoh.org and Foundation staff will upload to your application accordingly.

Additionally, we will be working with our Evaluation Teams, making them aware of the issue and will review/adjust our scoring rubric accordingly.
