Wayne County Community Foundation supports your charitable efforts with personalized service and insight about community needs and organizations. We're here to help you help others through the most effective philanthropy possible. We work with donors from all walks of life who want to improve the community through charitable giving. We are dedicated to increasing the effectiveness of your philanthropy, identifying the greatest needs of nonprofit organizations, and helping strengthen our community.

Getting started is easy.

A Donor Advised Fund is a personalized fund that makes it easy for you to support the issues and organizations you care about in Wayne County or across the country. You can use cash, stock, or other assets to create a named fund, qualify for an immediate tax deduction, and choose the charities you want to support. It takes \$10,000 or more to open your Donor Advised Fund.

A Personal Connection

Wooster resident Elizabeth Hooker has always believed in giving back to the community she loves. Several years ago, while leafing through the WCCF Annual Report in a doctor's office, she saw the names of several friends listed as fund holders. This piqued her interest, and she, along with her late husband Bob, visited the Foundation to find out what was needed to establish a Donor Advised Fund. "We were delighted by how easy it was to get started," says Elizabeth, "and having a Fund has made giving to the causes we care about so easy. Instead of having to keep track of every gift we make to a charity, or to our church, we give our instructions to the Foundation, and they do the rest."
